A SPECIAL IDENTITY THEFT SEMINAR

HOW TO PROTECT YOURSELF AGAINST THE AGONY OF IDENTITY THEFT.

*One in 23 adults will be victimized this year.
Total losses will exceed 50 billion dollars.*

Identity theft is the fastest growing crime in America with 246,000 complaints filed in 2004 alone. Through no fault of their own, millions of Americans have had their financial lives destroyed through this increasingly sophisticated crime.

If you fall victim, it could destroy your credit, cost you tens of thousands of dollars, and take months, even years, to get your financial affairs back in order.

***That's why it's so important that you
attend this FREE DINNER SEMINAR***

In just two hours you'll learn:

- How an identify theft scheme operates.
- How victims are selected.
- The techniques used to steal your identity.
- The staggering financial and emotional consequences of identity theft.
- **MOST IMPORTANT OF ALL... How you can fight back! The steps you MUST TAKE TODAY to protect yourself from becoming a victim.**
