How To Plan Your Retirement, Manage Your Wealth, And Preserve Your Estate

*Whether you're already retired, or planning retirement,
this is an educational opportunity not to be missed.*

Join us at this educational and entertaining **FREE dinner seminar** and learn solid strategies that will help you to better manage your finances, minimize your taxes, build a bigger estate, and enjoy a more rewarding and financially secure retirement.

Join us and learn:

- How to avoid the five pitfalls that cause retirees to fail financially.
- Strategies to help assure you won't outlive your money.
- Long-term care insurance. Do you need it? What you need to know.
- How to reduce or eliminate tax on your social security.
- How to avoid the high cost and delay of probate.
- How to overcome the "what if's" that can destroy your retirement dreams.
- How to invest when you don't have the luxury of time to recoup losses.
- How to structure your assets to minimize the payment of taxes.
- How to place a "safety net" around your retirement assets.
- How to stretch the benefits of your IRA to provide a lifetime of income for yourself, your spouse, your children and even your grandchildren.
- And...much, much more!
